Explanation of Responses:

1. During the periods presented, the Reporting Person inadvertently acquired and disposed of, as applicable, the number of shares and on the dates indicated above via automated transactions through a tax loss harvesting account. Such transactions were made under the Reporting Person's broker's (the "Broker") sole discretion and the Reporting Person had no control or authority over trading decisions. The Broker made the decisions to purchase and sell the subject shares and the Reporting Person was not aware of these very small transactions until recently. The result of these small transactions were losses for the Reporting Person.
